Let Contract For Addition To New Lenox Fire House

The board of trustees of the New Lenox Fire Protection District have awarded the contract for the addition to the present engine house on Church St.

The contract goes to Lincolnwood Construction Co., which is operated by Edward Woodcock, for the sum of \$9,463.90. Cost of the building itself, which will contain 900 square feet of floor space, will be \$8,367.95. Added to this will be \$459.95 for heating, and \$636 for a driveway.

The drive will connect with U.S. 30 so apparatus can have an outlet directly on Lincoln-Highway in addition to the one that now fronts on Church St. This driveway, it was explained, will not be put in until late spring.

The exterior walls of the addition will match the brick in the original building, it

was said. The additional space will be utilized for repairing and maintenance of equipment and for drying hose, according to the trustees.

Also two 1,500 tanks are to be installed under the floor for water storage. There is no central water supply in New Lenox so fires in the village, as well as those in rural area, are fought with tank trucks serving as the source of water. The fire department has its own well and while it is a big one too much time is consumed when the tank trucks are filled directly from the well, it was pointed out.

When the storage tanks are installed they will be kept filled and when it is necessary for a tank truck to replenish its water supply it can be done from these tanks with a use of a large suc-

tion pump. This will fill a truck in the matter of minutes, it was said.

The New Lenox fire department expects delivery on a new combination pumper and tank truck before the first of the year, it was said. The new rig will be a beam, is the big pumper and tank truck purchased a few years ago, but will not be as heavy.

The new truck will have four-wheel drive, and this with its reduced tonnage, will enable fire fighting crews to get it places where the other equipment cannot go, it was explained. There will be special equipment added to make the unit more flexible, according to a spokesman for the trustees.

The three trustees of the district are John Francis, Amos Bruns and Lloyd Lindstrom.

Knights Enter Cage Tourney With 2 Wins

Off to a good start with two wins to their credit the Lincoln-Way High School basketball team under the tutelage of Coach Al Willis will join the fray in the Lockport Central Invitational tournament Dec. 1 and 2.

The Knights opened their 1967-68 season last Wednesday night at home by clobbering Peotone 71-45 and then proceeded to take Joliet Central there last Saturday night, 51-50.

At Lockport the Knights will meet Joliet Catholic High at 7 o'clock tomorrow night. This is one of those tournaments where the losers have a chance at the consolation prize so win or lose Friday Lincoln-Way will be in action again on Saturday night. Lockport Central will tangle with Peoria Richwood at 8:30 Friday night.

Pat McCabe, who saw service last year, was unable to score against Joliet last Saturday night until the third quarter began. He made up then for lost time and it was his bucket in the last seven seconds that made the Knights winners.

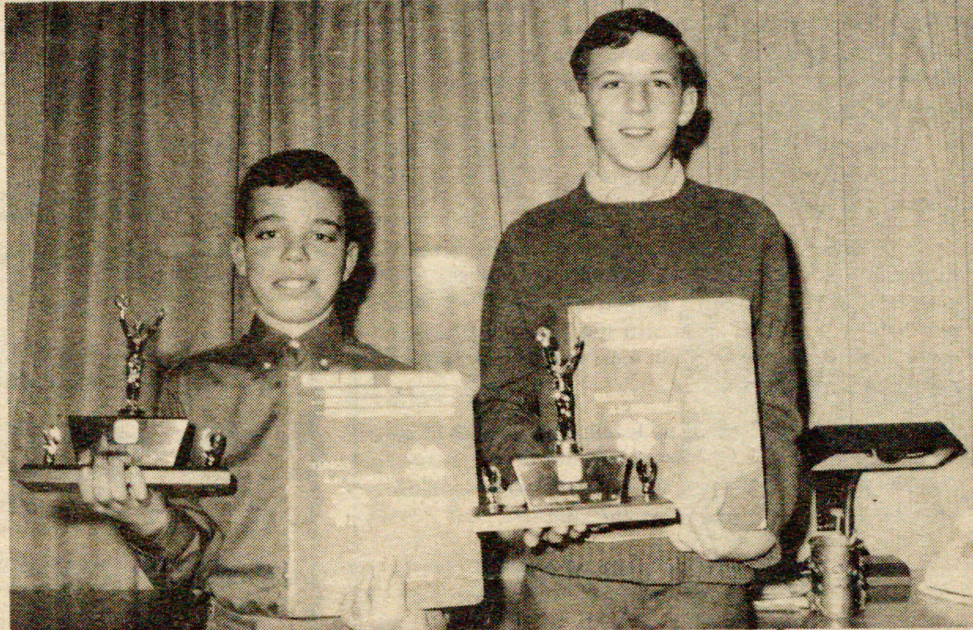

Joliet led 26 to 23 at half time after Lincoln-Way had taken a 13-10 lead at the close of the first quarter. Both teams each scored nine points in the third frame while Lincoln-Way counted 19 to Joliet's 15 in the final period. Kohlbacher led the scoring for the Knights with

eight baskets and two free throws for 18. P. McCabe was second with 12. Mike McCabe, Fredin each had six points; Palka, five, and Smith and Dillworth, two each.

In the game against Peotone Lincoln-Way jumped into a five point lead in the first quarter and was never headed. The scoring went 14 to 9 in the first period; 14 to 11 in the second; 24 to 13 in the third and 19 to 12 in the final

frame. To save you from stopping to add the score at half time was Lincoln-Way, 28; Peotone, 20; 52 to 33 at the end of the third quarter and 71 to 45 for the final count.

Mike McCabe was high point man for the Knights with 18, seven baskets and four free throws out of five attempts; Pat McCabe had 15 points; Fredin, 14; Kohlbacher, 11; Loucks, 4; Palka, Smith, Martin and Dillworth two points each and Otto, one.

AT A RECENT 4-H Meeting at the Fred Francis Field, New Lenox, Kevin Smith, left, son of Mr. and Mrs. Wm. Smith, Mokena, and Gary Ebert, son of Mr. and Mrs. Lewis Ebert, Frankfort, were awarded trophies for keeping the neatest and best 4-H record books.

John Hartnell of the Country Company Insurance Instituted the trophies to encourage better record keeping.

There is talk--no official pronouncement--that U. S. 30 will be widened between Cicero and the other side of Joliet. The present widening is to hook up somehow with the new junction planned for U.S. 30, Gougar Rd. and Washington St.

Another New Industry Is Coming To Frankfort

Frankfort will have a new plant if the village zoning board gives approval to a petition for re-zoning of a tract of land on the west side of U.S. 45 near the E. J. & E. tracks, classifying it for light industry.

The petitioner is Charles Sup, owner of the land. The company involved is the Service Machine Co., of 2310 W. 78th St., Chicago, which manufactures the Roussele Punch Press. The proposed plant at Frankfort would assemble the brakes used on the presses.

The Industrial Committee of Frankfort, created by the village board to aid that body thru screening proposed new businesses for that body. Marvin Brownell, general manager of the Mobil Chemical plant at Frankfort, chairman of the committee, said that it has endorsed the proposed plan of Service

Machine Co. Other members of the committee are, Joseph Glinn, of Superior Match Co.; Hans Bader, of Elcon Manufacturing; Gerald Sager, of S & S Sink Top Co.; Harvey Beckman, Tri-Stone; Robert Lindquist, Westlund Wholesale. They were unanimous in their action.

"This plant will machine parts and assemble press brakes," a letter from the company to the Industrial Committee stated, according to Mr. Brownell.

He added that a company spokesman said that the firm makes drill presses ranging from five to 60 tons.

It was said that at the beginning the firm would employ approximately 25 persons in the Frankfort plant but it was expected the number would be increased later on. The plant will cover 90,000 square feet to begin with, it was said.

The plant will be just south of the Elgin, Joliet and Eastern Railway tracks. The "J" has been doing considerable "missionary" work over the years to attract industry to locations on its right-of-way.

Frankfort has obtained several industries in the past few years and the Chamber of Commerce and the Village Board expect to attract others.

The village has adopted plans for paving Nebraska St. west of U.S. 45 and work on the project is to begin in the spring, it was said. The cost will be taken from the village's share of the state motor fuel tax. Center Rd. and U.S. 45 appear to be the principal thoroughfares for industry. A group of Frankfort residents purchased some acreage several months ago west of the cemetery which they propose to use for light industrial, commercial and multiple

residential purposes.

At the last meeting of the village board Mayor Glenn Warning pointed out that development of these west and south area will necessitate extension of the sewer and water system. Such a program, according to Village Engineer Robert Hamilton, would cost about \$160,000.

Some of this expense, it was said, would fall on the village but the developers and the people served would have to pay most of it. Actually, it was pointed out, it was cheaper for a company or householder to pay their share of a sewer and water system than to build a septic field and drill a well and pay the maintenance on them.

There is sewer and water along the north portion of Center Rd., it was said, and those who occupy the land south of the present water and sewer system can make connections thru annexation to the village.

Educational Cooperative Seeks Substitute Teachers

Far from being met with the opening of school in Sep-

tember, the need for qualified classroom and substitute teachers in South Cook County school district is actually increasing.

According to the on-going survey of teacher needs carried on by the Educational Development Cooperative (EDC) of South Cook and North Will Counties, many districts are still searching for teachers and almost every one of the 66 elementary and secondary districts has indicated a serious need for substitutes to fill temporary vacancies in their classrooms.

More than 60 elementary openings are on file with EDC and more being reported due to maternity leaves and other reasons. At the high school level, at least ten openings in various subjects have been filed either for the present or for the second semester. More are anticipated.

Through its survey of individual district needs, inter-district exchange of information on potential teacher candidates, and appeals to qualified and interested candidates, EDC's teacher placement service has been instrumental in placing about 75 teachers over the past few months. While the bulk of placement occurred in the period prior to the opening of school this fall, at least five known placements have been made within the past two weeks.

On behalf of the districts within its membership, EDC is seeking additional teacher candidates and particularly substitutes to fill the current and continuing vacancies.

To qualify for substitute

teaching, a candidate should hold a Bachelor's degree, or have 60 semester hours, including six in education, and two years of teaching experience. Experience gained in non-public school systems may be used to qualify a candidate.

Holders of Illinois State elementary certificates are qualified to substitute in grades kindergarten through nine; holders of secondary certificates are qualified to substitute in grades six through 12.

Potential candidates are urged to contact school districts in their areas or to register with the EDC placement service in person at 18216 Harwood Ave., Homewood, Ill. 60430, by writing or by calling staff member Mrs. Margene Entner, 799-7900.

Teacher placement is one of the services offered to area elementary and secondary school districts through EDC. The service, "Operation Talent Search," is being expanded this year to extend recruitment outside

the immediate area to colleges, universities, and other placement services, according to L. Marvin Olmsted, executive director.

Formed originally by elementary and secondary school districts in the South Cook County region, EDC has more recently, upon request, extended membership to Argo - Summit Community High School District 217, and to Lincoln-Way Community High School District 210 and Manhattan Elementary District 114 in North Will County.

Episcopalians Give New Liturgy A Trial

Beginning this Sunday, Dec. 3 -- the first in Advent--Episcopalians of the Diocese of Chicago will be confronted with a complete change in liturgy of the communion service on a trial basis.

Minor changes in language were made in the mass in 1892 and 1928 but the liturgy to be introduced Sunday will be the first with significant changes since 1789 according to a church spokesman.

The new liturgy on trial includes a greater use of contemporary language, less emphasis on penitence and greater emphasis on thanksgiving. It also, it was said, will afford greater participation by the laity, also more standing, less kneeling. The lessons will be from modern translations of the Bible.

That some of the pastors, as well as the members, will be confused is to be expected, Bishop Gerald Francis Burrill, said in a pastoral letter read in all diocesan parishes last Sunday, but he advised everyone concerned "to be relaxed."

The bishop has ordered that the new liturgy be used in all parishes in the diocese from the first Sunday in Advent thru the Octave of Easter, a 20-week period, at all celebrations of the Eucharist--weekdays as well as Sundays.

Trial use of the new liturgy was authorized at the recent general convention of the Church at Seattle and every diocese in the Episcopal Church is to use it for a trial period within the next three years.

Committees are to be named in each parish to get an expression of opinion on the new service. The opinions and suggestions, the criticism and opposition, are to be sent to the commission in charge of the revision of the revised prayer book in time for study before the general convention in 1970.

A spokesman for the Church pointed out that this will mark the first time in the history of any Christian church when the entire membership will have an actual voice in any changes or revisions of such scope.

It was said that it would probably be 12 years before the work on the Book of Common Prayer, which governs the services of the Church, is perhaps agreed upon and adopted.

Interior Design Corner ...

PAINTINGS: ARE YOURS TOO HIGH?

NOEL E. SMITH

One of the most frequent errors we encounter in homes we visit is the manner in which the pictures, plaques or paintings are hung. They are usually hung too high.

The words "eye-level" have somehow entered into picture hanging. With this in mind, most people walk up to the wall and proceed to follow these instructions. "Eye-level" has been assumed to mean eye level while standing. When hung in this fashion, the pictures are usually divorced from the object they hang over and appear to float alone; they are not an integral part of the total grouping as they should be. Hung lower, these same pictures become a component of the grouping and add to the total balance. We spend more time enjoying a room while seated than we do while standing, so the angle from a seated position is the most important.

The shape of the item (square, vertical, round or horizontal) will also determine the height at which it should properly be hung.

Where a picture is not over a supporting piece of furniture, the rule changes and requires the picture to be hung slightly higher. However, we find eye-level while standing is still too high, as the eyes have a natural tendency to look slightly downward rather than straight ahead.

In picture hanging as in all other phases of interior planning, do not hesitate to consult our interior decorating service. We find it good business to pay close attention to all the details, large and small.

Things Looking Up For Sandburg Quint

Sandburg Eagles have already equalled last year's win total of two as they look forward to two more games this weekend, with Bremen there Dec. 1, and with Hinsdale Central, here, Dec. 2.

The first victory of the season was a 77-42 romp over Hinsdale South Nov. 24. The Eagles led 21-6 at the quarter, 38-13 at the half, and 58-26 after three periods. Leading the Eagle attack which netted a total of 37 field goals, was Chuck Jaeger with 20 points, Brian Taber with 16, and Kurt Pnazeck with 14.

Proviso West proved tougher, leading all the way until the Eagles outscored them 24-8 in the final quar-

ter to win by a 49-44 count. Both teams shot poorly the first three quarters, and both committed many ball-handling errors. Proviso led 6-4, 18-11, and 36-25, at each quarter break.

The last period rally was paced by Len Gorney who hit 10 of his 16 points of the night in that period. Jaeger, John McBride, and Taber also scored in the catch-up quarter. Jaeger hit 12 for the evening and Taber scored 10 points.

Bob King scored 11 points for Proviso.

The sophomore Eagles beat Hinsdale South 41-24 but lost to Proviso West 43-39.

Two Lutheran Churches To Mark Beginning Of Advent

MRS. SHERMANKNOX
Telephone: 349-0211

On this coming Sunday, Dec. 3, a new Christian church year begins at Christ Lutheran Church. Not only will Sunday's worship mark the beginning of a new liturgical year but it will also introduce the penitential season of Advent. The Advent season is a period of four weeks prior to Christmas during which time the faithful Christian seriously prepares himself for the incarnation of His Savior. In addition to the regular Advent Sunday worship at 8:15 a.m. and 11:00 a.m., there will be a series of special preparatory midweek worship opportunities. This season the Wednesday evening Vespers will be conducted at 7:30 p.m. on Dec. 6, 13, and 20. Members of Christ Lutheran congregation invite the Orland community to share with them their Advent preparation. Pastor Ledogar has announced the complete worship schedule for this year's festival celebrations of Christ's Nativity. For details please telephone 349-0431.

All Saints Lutheran Church announced Advent and Christmas programs. Advent is the season of the year to prepare for Christmas. In the three weeks before Christmas, there will be two mid-week family Advent services in homes of members of the congregation, and one family Advent and Christmas program at the Church for the entire congregation. On Tuesday, Dec. 5 at 7:30 p.m., the first family Advent service will be at the Harbison home at 10215 Huntington. Pastor Victor Brandt of Good Shepherd Lutheran in Palos Park will share a meditation on the meaning of Advent.

On Tuesday, Dec. 12, at 7:30 p.m. the Lutheran Church Women sponsored family Advent and Christmas program at the Church. This annual event will include for the first time the "Singing Saints", a group of elementary school children who have been practicing on Saturday afternoons. In addition, the program will include a series of brief scenes on the meaning of Christmas from young and old in the congregation. On the final week before Christmas, another family Advent service will be held in one of the homes of the congregation with Pastor

Walter Ledogar of Christ Lutheran Church in Orland Park sharing a meditation on the meaning of Advent.

A reminder to parents of boys in Service that the Red Cross will be in Orland Park, Sunday, Dec. 3 at the Village Hall from noon to 5 p.m., to record "Voices From Home". No cost to families, as postage for mailing to the boys will be paid by the American Legion Post #526.

At the meeting of the Firemen's Auxiliary held Nov. 20, plans were started for their 3rd annual fall fashion show for 1968. Nancy Marquardt was named as general chairman with Harriet McElligott as her co-chairman. Edith Cullen was appointed to extend a welcome to the wives of the new firemen.

The Auxiliary will hold their annual Christmas party, Dec. 18, members to meet at the fire hall at 7:00 p.m. A new member, Nancy Harris joined the Auxiliary.

Members of the Auxiliary attended the Firemen's Community Auxiliary Association meeting, Nov. 15 at Sauk Village. Roll call of Auxiliaries showed 17 units were present. The Auxiliaries represent the South Suburban area of the Volunteer Fire Departments.

The Prayer meeting of the First Baptist Church of Orland Park was held Wednesday, Nov. 29 at the home of Mr. and Mrs. Richard Hickman 14557 Willow St.

The Mary Circle of the Methodist Church met at the home of Mrs. Bill Adams, Tuesday evening, Nov. 28. Observing Christmas, each member brought a dollar gift for the grab bag exchange.

Each year the children of the Methodist Church school bring gifts to be presented to the Christ Child during the Christmas program. This year the gifts will be designated for Oak Forest Hospital.

The American Legion Auxiliary, Unit #526 will hold their regular meeting Tuesday evening, Dec. 5 at the home of Dorothy Benson at 8 p.m. Following a short business meeting, their usual Christmas party will take place. Members are asked to bring a \$1.00 gift for the exchange. Hope all mem-

bers can attend, even though the Christmas party is earlier this year.

The November meeting of the Orland Park Homemakers Unit was held in Mrs. LaVern Rechkemer's home in Mokena, with 23 members present and one guest, Mrs. Elinore Sedoork, sister-in-law of Mrs. Rechkemer.

The 1968 officers were elected - Mrs. Evelyn Bettenhouse, President; Mrs. LaVern Rechkemer, Secretary-Treasurer; Mrs. Sally Cooper, First Vice President; Mrs. Arion Knoll, Second Vice President, and Mrs. Angie Carey, Publicity chairman.

The Homemakers will hold their Christmas Party, Dec. 8 at the Blue Willow Restaurant in Lockport.

The lesson for the evening was given very ably by Mrs. Emily Stelter on the "Concern" of Retirement. The meeting was then turned over to the Unit member who gave Lessons on Christmas Crafts. Mrs. Sally Cooper showed Christmas ornaments and a small Christmas tree made out of "Tistle Weed", found on the side of the road, and a Burlap Christmas wreath.

Mrs. Maria Cooper showed clowns made from 2 Lb. coffee tins, and smocked pillow cats for children. Mrs. LaVern Rechkemer showed Poinsettia flowers made from Milkweed pods, and a Goldenrod Christmas tree. Mrs. Gene Yang showed Tissue paper jewelry and along with Mrs. Marion Knoll showed how to make Modress paper flowers.

Refreshments were served in the Christmas Spirit by Mrs. Bettenhausen, Mrs. Mary Jane McBride and Mrs. Rechkemer, including jello molds, puffs, chip dips, cakes with Christmas coloring.

The Unit welcomed back Mrs. Mary Jane Loman from her stay in the hospital.

"Around the World" was the theme for the November meeting of Cub Scout Pack 318, Nov. 17, at Orland Center School. Den 8 staged a puppet show and Den 4, attired in costume representing the different

countries of the world, sang "Around the World in 80 Days".

Ivor Swanson, due to the absence of Russ Wagner, (Cubmaster), conducted the pack meeting. "Home On The Range" was sung by the scouts and their parents. A football relay contest was held between two groups of Cub scouts to close the evening. Dens 4, 5, and 8 were in charge of refreshments.

Awards were presented to the following boys:

P.O. Strives To Keep Patrons Happy

The post office department at Washington has a customer relations director. He is Edward M. Kriz, according to the signature on a letter received this week by Mrs. Rudolph Engelhardt, of Mokena, who is seeking home delivery of mail for Mokena.

The post office department also has what is called a regional director supposedly stationed in Chicago, according to information given Mrs. Engelhardt.

She was told from the office of the postmaster general that she would hear from the regional director relative to her request for information as to what is necessary to get home delivery of mail for the area but to date no word has arrived.

The letter from Mr. Kriz, the customer relations man

for the post office, starts out cheerfully with the hope that Mrs. Engelhardt's inquiries have born fruit and any little troubles she may have had have been cleared away.

At the bottom, however, below the signature, there is a question with a little box in which one may mark the word "Yes" or the word "No". The question is: "Is your service now better?"

In the meantime she wishes to remind anyone who feels as she does, that Mokena should have home delivery of mail, to write Congressman Leslie Arends, at the House of Representatives Office Building, and Senators Everett Dirksen and Charles H. Percy, Senate Office Building, Washington, D.C.
